About RSI

4904

Restaurant Services, Inc. (RSI) is an independent member-owned purchasing cooperative serving BURGER KING® restaurant owners in the United States.

RSI was founded in 1991 as the exclusive purchasing agent for the vast majority of products used by the U. S. BURGER KING system. Its primary purpose is to leverage the buying power of BURGER KING restaurants to achieve favorable contracts for food, packaging, premiums, promotion products, supplies, equipment, distribution and related services on behalf of more than 8,300 restaurants.

RSI's Board of Directors is comprised of BURGER KING franchisees, elected by region, one Burger King Corporation representative and one member appointed by the Minority Franchisee Association. The cooperative maintains a close working relationship with Burger King Corporation, with respective roles and responsibilities outlined in a formal Operating Agreement.

RSI works closely with restaurant owners, Burger King Corporation, food and packaging suppliers, marketing agencies, equipment vendors, distributors and information systems providers to streamline and improve the supply chain efficiency

The screenshot shows a software interface with two main sections: "Report Selection" and "Report Parameters".

Report Selection:

- Report Type:** A dropdown menu showing "Optimal Product Routing".
- Report Name:** A list box showing "Freight Information Provided" (highlighted) and "Freight Information Provided" (below it). The list box has up and down arrow buttons on the right.

Report Parameters:

- Supplier:** A text box containing "(All)".
- Supplier FOB:** A text box containing "(All)".
- Distribution Center:** A text box containing "(All)".
- Version:** A text box containing "Base Version".

On the far left of the image, there is a vertical column of small, illegible text.
